

EDUNEXT CLOUD GROWTH

Scale Your Learning Program with Confidence

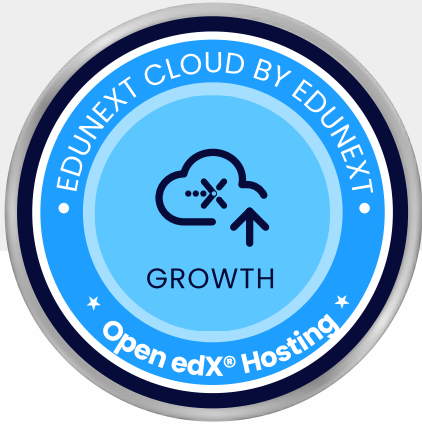

A fully managed Open edX® hosting solution designed for growing organizations that need greater visibility, reliability, and operational support.

EC Growth provides:

**Infrastructure**

**Analytics**

**Expert Support**

Powered by Open edX®:

Open edX® is the world’s leading open-source learning platform, engineered by MIT and Harvard to power enterprise-grade education. It delivers complete architectural freedom, infinite scalability, and total data ownership without vendor lock-in.

What's Included

A comprehensive, enterprise-grade cloud environment engineered to empower program growth and streamline operations.

1

Software Services: Extended Capabilities & Native Analytics
